Frequently Asked Questions

What are employee matching gift programs?

Employee matching gift programs are corporate giving programs in which the company matches donations made by employees to eligible nonprofit organizations.

It's an easy way to double and sometimes triple your contribution to us!

How do I find out if my company matches donations?

Check the list of companies that have provided donations to Dodgen Middle School Foundation in previous years. If your company is not listed, please provide the name of your Employer under the Company Match section of the donation page: www.DodgenFoundation.com/donate.html. We will reach out to your company on your behalf and send you the information

My Company matches, how do I request a matching gift?

Requesting a matching gift is normally a five minute process which must be initiated by YOU - the donor / volunteer. You can do this by filling out and submitting a paper match form provided by your employer or through an electronic submission process. Your employer will require an Address and Tax ID number.

Additionally please list the name of your Employer under the Company Match section of the donation page: www.DodgenFoundation.com/donate.html. We will follow up with your company until match is received.

If your company is listed below but don't know who to contact, we can help you get in touch with the right people. Email: DodgenFoundationMatch@gmail.com

What if I still have questions?

For questions regarding your company's programs, please contact your employer's HR or community giving department. Much of the necessary information is also available on your company intranet.
